

Collaboration Best Practices

Derwyn Harris @Derwyn

Co-founder and Product Manager at Jama Software

I am NOT a scrum master nor have I been certified on anything

I have been on many Agile teams some good, some bad

I have been a developer, BA, Project Manager, Product Manager, consultant, and trainer

I have also been in sales, services, support

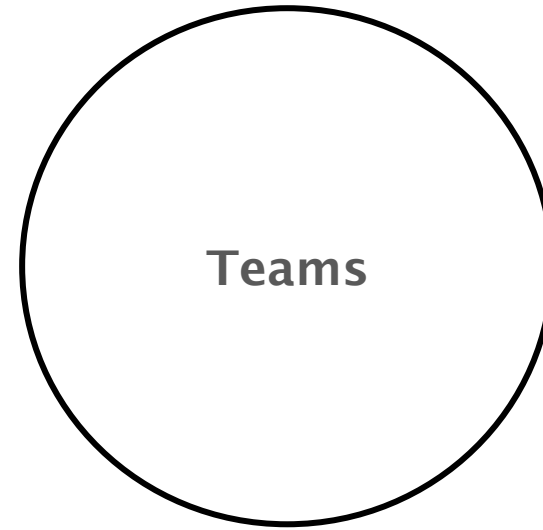

I have worked for, met with, or consulted for over 100 companies

I learn something new every day
